**QUABBIN, INC. 401(K) PLAN**  
**SUMMARY PLAN DESCRIPTION**  
**INTRODUCTION TO YOUR PLAN**

**What kind of Plan is this?**

Quabbin, Inc. 401(k) Plan ("Plan") has been adopted to provide you with the opportunity to save for retirement on a tax-advantaged basis. This Plan is a type of qualified retirement plan commonly referred to as a 401(k) Plan. As a participant under the Plan, you may elect to contribute a portion of your compensation to the Plan.

**What information does this Summary provide?**

This Summary Plan Description ("SPD") contains information regarding when you may become eligible to participate in the Plan, your Plan benefits, your distribution options, and many other features of the Plan. You should take the time to read this SPD to get a better understanding of your rights and obligations under the Plan.

In this SPD, the Employer has addressed the most common questions you may have regarding the Plan. If this SPD does not answer all of your questions, please contact the Plan Administrator or other plan representative. The Plan Administrator is responsible for responding to questions and making determinations related to the administration, interpretation, and application of the Plan. The name of the Plan Administrator can be found at the end of this SPD in the Article entitled "General Information about the Plan."

This SPD describes the Plan's benefits and obligations as contained in the legal Plan document, which governs the operation of the Plan. The Plan document is written in much more technical and precise language and is designed to comply with applicable legal requirements. If the non-technical language in this SPD and the technical, legal language of the Plan document conflict, the Plan document always governs. If you wish to receive a copy of the legal Plan document, please contact the Plan Administrator.

The Plan and your rights under the Plan are subject to federal laws, such as the Employee Retirement Income Security Act (ERISA) and the Internal Revenue Code, as well as some state laws. The provisions of the Plan are subject to revision due to a change in laws or due to pronouncements by the Internal Revenue Service (IRS) or Department of Labor (DOL). The Employer may also amend or terminate this Plan. If the provisions of the Plan that are described in this SPD change, the Employer will notify you.

**ARTICLE I**  
**PARTICIPATION IN THE PLAN**

**How do I participate in the Plan?**

Provided you are not an Excluded Employee, you may begin participating under the Plan once you have satisfied the eligibility requirements and reached your Entry Date. The following describes Excluded Employees, if any, the eligibility requirements and Entry Dates that apply. You should contact the Plan Administrator if you have questions about the timing of your Plan participation.

**All Contributions**

**Excluded Employees.** If you are a member of a class of employees identified below, you are an Excluded Employee and you are not entitled to participate in the Plan. The Excluded Employees are:

- certain nonresident aliens who have no earned income from sources within the United States
- leased employees
- reclassified employees (an employee who was previously not treated as an employee of the Employer but you are reclassified as being an employee)

**Eligibility Conditions.** You will be eligible to participate in the Plan when you have completed one (1) Hours of Service within the three (3) month time period following your date of hire. If you do not complete one (1) Hours of Service within the three (3) month time period of employment, then you will have satisfied the service requirement if you are credited with a Year of Service. However, you will actually participate in the Plan once you reach the Entry Date as described below.

**Entry Date.** Your Entry Date will be the first day of the month next following the date you satisfy the eligibility requirements.

**How is my service determined for purposes of Plan eligibility?**

**Year of Service.** You will be credited with a Year of Service at the end of the twelve month period beginning on your date of hire if you have been credited with at least 1,000 Hours of Service during such period. If you have not been credited with 1,000 Hours of Service by the end of such period, you will have completed a Year of Service at the end of any following Plan Year during which you were credited with 1,000 Hours of Service.

**Hour of Service.** You will be credited with your actual Hours of Service for:

- (a) each hour for which you are directly or indirectly compensated by the Employer for the performance of duties during the Plan Year;
- (b) each hour for which you are directly or indirectly compensated by the Employer for reasons other than the performance of duties (such as vacation, holidays, sickness, disability, lay-off, military duty, jury duty or leave of absence during the Plan Year) but credit will not exceed 501 hours of service for any single continuous period during which you perform no duties; and
- (c) each hour for back pay awarded or agreed to by the Employer.

You will not be credited for the same Hours of Service both under (a) or (b), as the case may be, and under (c).

#### **What service is counted for purposes of Plan eligibility?**

**Service with the Employer.** In determining whether you satisfy the minimum service requirements to participate under the Plan, all service you perform for the Employer will be counted.

**Military Service.** If you are a veteran and are reemployed under the Uniformed Services Employment and Reemployment Rights Act of 1994, your qualified military service may be considered service with the Employer. If you may be affected by this law, ask the Plan Administrator for further details.

#### **What happens if I'm a participant, terminate employment and then I'm rehired?**

If you are no longer a participant because of a termination of employment, and you are rehired, then you will be able to participate in the Plan on the date on which you are rehired if you are otherwise eligible to participate in the Plan.

## **ARTICLE II EMPLOYEE CONTRIBUTIONS**

#### **What are elective deferrals and how do I contribute them to the Plan?**

**Elective Deferrals.** As a participant under the Plan, you may elect to reduce your compensation by a specific percentage or dollar amount and have that amount contributed to the Plan as an elective deferral. There are two types of elective deferrals: pre-tax deferrals and Roth deferrals. For purposes of this SPD, "elective deferrals" generally means both pre-tax deferrals and Roth deferrals. Regardless of the type of deferral you make, the amount you defer is counted as compensation for purposes of Social Security taxes.

**Pre-Tax Deferrals.** If you elect to make pre-tax deferrals, then your taxable income is reduced by the deferral contributions so you pay less in federal income taxes. Later, when the Plan distributes the deferrals and earnings, you will pay the taxes on those deferrals and the earnings. Therefore, with a pre-tax deferral, federal income taxes on the deferral contributions and on the earnings are only postponed. Eventually, you will have to pay taxes on these amounts.

**Roth Deferrals.** If you elect to make Roth deferrals, the deferrals are subject to federal income taxes in the year of deferral. However, the deferrals and, in certain cases, the earnings on the deferrals are not subject to federal income taxes when distributed to you. In order for the earnings to be tax free, you must meet certain conditions. See "What are my tax consequences when I receive a distribution from the Plan?" below.

**Deferral procedure.** The amount you elect to defer will be deducted from your pay in accordance with a procedure established by the Plan Administrator. You may elect to defer a portion of your compensation payable on or after your Entry Date. Such election will become effective as soon as administratively feasible after it is received by the Plan Administrator. Your election will remain in effect until you modify or terminate it.

**Deferral modifications.** You may revoke or make modifications to your salary deferral election in accordance with procedures that the Employer provides. See the Plan Administrator for further information.

**Annual dollar limit.** Your total deferrals in any taxable year may not exceed a dollar limit which is set by law. The limit for 2014 is \$17,500. After 2014, the dollar limit may increase for cost-of-living adjustments.

**Catch-up contributions.** If you are at least age 50 or will attain age 50 before the end of a calendar year, then you may elect to defer additional amounts (called "catch-up contributions") to the plan for that year. The additional amounts may be deferred regardless of any other limitations on the amount that you may defer to the plan. The maximum "catch-up contribution" that you can make in 2014 is \$5,500. After 2014, the maximum may increase for cost-of-living adjustments. Any "catch-up contributions" that you make will be taken into account in determining any Employer matching contribution made to the Plan.

You should be aware that each separately stated annual dollar limit on the amount you may defer (the annual deferral limit and the "catch-up contribution" limit) is a separate aggregate limit that applies to all such similar elective deferral amounts and "catch-up contributions" you may make under this Plan and any other cash or deferred arrangements (including tax-sheltered 403(b) annuity contracts, simplified employee pensions or other 401(k) plans) in which you may be participating. Generally, if an annual dollar limit is exceeded, then the excess must be returned to you in order to avoid adverse tax consequences. For this reason, it is desirable to request in writing that any such excess elective deferral amounts be returned to you.

If you are in more than one plan, you must decide which plan or arrangement you would like to return the excess. If you decide that the excess should be distributed from this Plan, you must communicate this in writing to the Plan Administrator no later than the March 1st following the close of the calendar year in which such excess deferrals were made. However, if the entire dollar limit is exceeded in this Plan or any other plan the Employer maintains, then you will be deemed to have notified the Plan Administrator of the excess. The Plan Administrator will then return the excess deferral and any earnings to you by April 15th.

**Automatic Deferral.** The Plan includes an automatic deferral feature. Accordingly, the Employer will automatically withhold a portion of your compensation from your pay each payroll period and contribute that amount to the Plan as a pre-tax 401(k) deferral unless you make a contrary election.

- **Application to all Participants.** The automatic deferral provisions apply to all participants, regardless of any prior salary reduction agreement, unless and until they make a contrary election after the automatic deferral effective date.

**Automatic deferral provisions.** The following provisions apply as to automatic deferrals:

- You may complete a salary reduction agreement at any time to select an alternative deferral amount or to elect not to defer under the Plan in accordance with the deferral procedures of the Plan. If the Employer automatically enrolled you and you did not want to participate in the Plan, then the Employer can refund your deferrals to you within 90 days of the first payroll in which money was deferred provided you notify the Employer within a reasonable period of time prior to the end of the 90-day period.
- The amount to be automatically withheld from your pay each payroll period will be equal to 5% of your compensation, and that amount will continue to be automatically withheld from your pay in succeeding Plan Years unless the Employer amends the Plan or you enter a Salary Reduction Agreement.

Contact the Plan Administrator if you have any questions concerning the application of the automatic deferral provisions.

### **What are rollover contributions?**

**Rollover contributions.** At the discretion of the Plan Administrator, if you are an eligible employee, you may be permitted to deposit into the Plan distributions you have received from other plans and certain IRAs. Such a deposit is called a "rollover" and may result in tax savings to you. You may ask the Plan Administrator or Trustee of the other plan or IRA to directly transfer (a "direct rollover") to this Plan all or a portion of any amount that you are entitled to receive as a distribution from such plan. Alternatively, you may elect to deposit any amount eligible to be rolled over within 60 days of your receipt of the distribution. You should consult qualified counsel to determine if a rollover is in your best interest.

**Rollover account.** Your rollover will be accounted for in a "rollover account." You will always be 100% vested in your "rollover account" (see the Article in this SPD entitled "Vesting"). This means that you will always be entitled to all amounts in your rollover account. Rollover contributions will be affected by any investment gains or losses.

**Withdrawal of rollover contributions.** You may withdraw the amounts in your "rollover account" at any time. You should see the Articles in this SPD entitled "Distributions Prior to Termination of Employment," "Distributions upon Termination of Employment," and "Distributions upon Death" for an explanation of how benefits (including your "rollover account") are paid from the Plan.

### **What are In-Plan Roth Rollover Contributions?**

**In-Plan Roth Rollover Contributions.** Effective December 1, 2014, if you are eligible for a distribution from an account and you are currently an employee, you may elect to roll over the distribution to a designated Roth contribution account in the Plan (referred to as an In-Plan Roth Rollover Contribution). You may only roll over the distribution directly. However, loans may not be rolled over as an In-Plan Roth Rollover Contribution.

**Taxation and Irrevocable election.** You do not pay taxes on the contributions or earnings of your pre-tax accounts (including accounts attributable to Employer matching contributions) until you receive an actual distribution. In other words, the taxes on the contributions and earnings in your pre-tax accounts are deferred until a distribution is made. Roth accounts, however, are the opposite. With a Roth account you pay current taxes on the amounts contributed. When a distribution is made to you from the Roth account, you do not pay taxes on the amounts you had contributed. In addition, if you have a "qualified distribution" (explained below), you do not pay taxes on the earnings that are attributable to the contributions.

If you elect an In-Plan Roth Rollover Contribution, then the contribution will be included in your income for the year. Once you make an election, it cannot be changed. It's important that you understand the tax effects of making the election and ensure you have adequate resources outside of the plan to pay the additional taxes. The In-Plan Roth Rollover Contribution does not affect the timing of when a distribution may be made to you under the Plan; the contribution only changes the tax character of your account. You should consult with your tax advisor prior to making such a rollover.

**Qualified Distribution.** As explained above, a distribution of the earnings on your Roth account will not be subject to tax if the distribution is a "qualified distribution." A "qualified distribution" is one that is made after you have attained age 59 1/2 or is made on account of your death or disability. In addition, in order to be a "qualified distribution," the distribution cannot be made prior to the expiration of a 5-year participation period. The 5-year participation period is the 5-year period beginning on the calendar year in which you first make the Roth rollover and ending on the last day of the calendar year that is 5-years later. See "What are my tax consequences when I receive a distribution from the Plan?" later in this SPD.

The law restricts any in-service distributions from certain accounts which are maintained for you under the Plan before you reach age 59 1/2. These accounts are the ones set up to receive your salary deferral contributions and other Employer contributions which are used to satisfy special rules for 401(k) plans (such as safe harbor contributions). Ask the Plan Administrator if you need more details.

### **ARTICLE III EMPLOYER CONTRIBUTIONS**

In addition to any deferrals you elect to make, the Employer will make additional contributions to the Plan. This Article describes Employer contributions that will be made to the Plan and how your share of the contributions is determined.

#### **What is the safe harbor contribution?**

**Safe harbor 401(k) plan.** This Plan is referred to as a "safe harbor 401(k) plan." Before the beginning of each Plan Year, you will be provided with a comprehensive notice of your rights and obligations under the Plan. However, if you become eligible to participate in the Plan after the beginning of the Plan Year, then the notice will be provided to you on or before the date you are eligible. A safe harbor 401(k) plan is a plan design where the Employer commits to making certain contributions described below. This commitment to make contributions enables the Employer to simplify the administration of the Plan by ensuring that nondiscrimination regulations are met, which is why it is called a "safe harbor" plan.

**Safe Harbor Matching Contribution.** In order to maintain "safe harbor" status, the Employer will make a safe harbor matching contribution equal to 100% of your elective deferrals that do not exceed 5% of your compensation. This safe harbor matching contribution is 100% vested (see the Article in this SPD entitled "Vesting").

For purposes of calculating this safe harbor matching contribution, your compensation and deferrals will be computed for each payroll period.

**Discretionary Additional Matching Contribution.** The Employer may make a discretionary additional matching contribution. If the Employer makes a discretionary additional matching contribution, the discretionary additional matching contribution will not apply as to elective deferrals exceeding 6% of your compensation. The total amount of this discretionary additional matching contribution will not exceed 4% of your compensation.

For purposes of calculating this matching contribution, your compensation and deferrals will be computed for the Plan Year.

#### **What are forfeitures and how are they allocated?**

**Definition of forfeitures.** In order to reward employees who remain employed with the Employer for a long period of time, the law permits a "vesting schedule" to be applied to certain contributions that the Employer makes to the Plan. This means that you will not be entitled to ("vested" in) all of the contributions until you have been employed with the Employer for a specified period of time (see the Article in this SPD entitled "Vesting"). If a participant terminates employment before being fully vested, then the non-vested portion of the terminated participant's account balance remains in the Plan and is called a forfeiture. Forfeitures may be used by the Plan for several purposes.

**Allocation of forfeitures.** Forfeitures will be allocated as follows:

- All forfeitures may be used to pay plan expenses, or allocated as Discretionary Additional Matching Contributions.

### **ARTICLE IV COMPENSATION AND ACCOUNT BALANCE**

#### **What compensation is used to determine my Plan benefits?**

##### **All Contributions**

**Definition of compensation.** Compensation is defined as your total compensation that is subject to income tax and paid to you by the Employer. The following describes the adjustments to compensation that apply for the contributions noted above.

**Adjustments to compensation.** The following adjustments to compensation will be made:

- elective deferrals to this Plan and to any other plan or arrangement (such as a cafeteria plan) will be included.
- compensation paid after you terminate is generally excluded for Plan purposes. However, the following amounts will be included in compensation even though they are paid after you terminate employment, provided these amounts would otherwise have been considered compensation as described above and provided they are paid within 2 1/2 months after you terminate employment, or if later, the last day of the Plan Year in which you terminate employment:
  - compensation paid for services performed during your regular working hours, or for services outside your regular working hours (such as overtime or shift differential), or other similar payments that would have been made to you had you continued employment.

- compensation paid for unused accrued bona fide sick, vacation or other leave, if such amounts would have been included in compensation if paid prior to your termination of employment and you would have been able to use the leave if employment had continued.
- nonqualified unfunded deferred compensation if the payment is includible in gross income and would have been paid to you had you continued employment.

### **Elective Deferrals**

**Adjustments to compensation.** The following adjustments to compensation will be made for purposes of elective deferrals:

- compensation paid while not a participant in this component of the Plan will be excluded.

### **Matching Contributions and Safe Harbor Matching Contributions**

**Adjustments to compensation.** The following adjustments to compensation will be made for purposes of matching contributions and safe harbor matching contributions:

- compensation paid while not a participant in this component of the Plan will be excluded.

### **Is there a limit on the amount of compensation which can be considered?**

The Plan, by law, cannot recognize annual compensation in excess of a certain dollar limit. The limit for the Plan Year beginning in 2014 is \$260,000. After 2014, the dollar limit may increase for cost-of-living adjustments.

### **Is there a limit on how much can be contributed to my account each year?**

Generally, the law imposes a maximum limit on the amount of contributions including elective deferrals (excluding catch-up contributions) that may be made to your account and any other amounts allocated to any of your accounts during the Plan Year, excluding earnings. Beginning in 2014, this total cannot exceed the lesser of \$52,000 or 100% of your annual compensation (as limited under the previous question). After 2014, the dollar limit may increase for cost-of-living adjustments.

### **How is the money in the Plan invested?**

The Trustee of the Plan has been designated to hold the assets of the Plan for the benefit of Plan participants and their beneficiaries in accordance with the terms of this Plan. The trust fund established by the Plan's Trustee will be the funding medium used for the accumulation of assets from which Plan benefits will be distributed.

**Participant direction of investments.** You will be able to direct the investment of your entire interest in the Plan. The Plan Administrator will provide you with information on the investment choices available to you, the procedures for making investment elections, the frequency with which you can change your investment choices and other important information. You need to follow the procedures for making investment elections and you should carefully review the information provided to you before you give investment directions. If you do not direct the investment of your applicable Plan accounts, then your accounts will be invested in accordance with the default investment alternatives established under the Plan. These default investments will be made in accordance with specific rules under which the fiduciaries of the Plan, including the Employer, the Trustee and the Plan Administrator, will be relieved of any legal liability for any losses resulting from the default investments. The Plan Administrator has or will provide you with a separate notice which details these default investments and your right to switch out of the default investment if you so desire.

The Plan is intended to comply with Section 404(c) of ERISA (the Employee Retirement Income Security Act). If the Plan complies with this Section, then the fiduciaries of the Plan, including the Employer, the Trustee and the Plan Administrator, will be relieved of any legal liability for any losses which are the direct and necessary result of the investment directions that you give. Procedures must be followed in giving investment directions. If you fail to do so, then your investment directions need not be followed. If you do not direct the investment of your applicable Plan accounts, your accounts will be invested in accordance with the default investment alternatives established under the Plan.

**Earnings or losses.** When you direct investments, your accounts are segregated for purposes of determining the earnings or losses on these investments. Your Participant-directed Account does not share in the investment performance of other participants who have directed their own investments. You should remember that the amount of your benefits under the Plan will depend in part upon your choice of investments. Gains as well as losses can occur and the Employer, the Plan Administrator, and the Trustee will not provide investment advice or guarantee the performance of any investment you choose.

Periodically, you will receive a benefit statement that provides information on your account balance and your investment returns. It is your responsibility to notify the Plan Administrator of any errors you see on any statements within 30 days after the statement is provided or made available to you.

### **Will Plan expenses be deducted from my account balance?**

The Plan will pay some or all Plan related expenses except for a limited category of expenses, known as "settlor expenses," which the law requires the employer to pay. Generally, settlor expenses relate to the design, establishment or termination of the Plan. See the

Plan Administrator for more details. The expenses charged to the Plan may be charged pro rata to each Participant in relation to the size of each Participant's account balance or may be charged equally to each Participant. In addition, some types of expenses may be charged only to some Participants based upon their use of a Plan feature or receipt of a plan distribution. Finally, the Plan may charge expenses in a different manner as to Participants who have terminated employment with the Employer versus those Participants who remain employed with the Employer.

The above is only a general statement about the possible treatment of Plan expenses. See the Appendix for Plan Expense Allocations for details.

## ARTICLE V VESTING

### What is my vested interest in my account?

In order to reward employees who remain employed with the Employer for a long period of time, the law permits a "vesting schedule" to be applied to certain contributions that the Employer makes to the Plan. This means that you will not be entitled to ("vested in") all of the contributions until you have been employed with the Employer for a specified period of time.

**100% vested contributions.** You are always 100% vested (which means that you are entitled to all of the amounts) in your accounts attributable to the following contributions:

- elective deferrals including Roth 401(k) deferrals and catch-up contributions
- rollover contributions
- safe harbor contributions

**Vesting schedules.** Your "vested percentage" for certain Employer contributions is based on vesting Years of Service. This means at the time you stop working, your account balance attributable to contributions subject to a vesting schedule is multiplied by your vested percentage. The result, when added to the amounts that are always 100% vested as shown above, is your vested interest in the Plan, which is what you will actually receive from the Plan.

### Additional Matching Contributions

Your "vested percentage" in your account attributable to Additional Matching Contributions is determined under the following schedule. You will always, however, be 100% vested in your Additional Matching Contributions if you are employed on or after your Normal Retirement Age or if you terminate employment on account of your death, or if you terminate employment as a result of becoming disabled.

Years of Service	Vesting Schedule Additional Matching Contributions Percentage
Less than 1	0%
1	20%
2	40%
3	60%
4	80%
5	100%

### How is my service determined for vesting purposes?

**Year of Service.** To earn a Year of Service, you must be credited with at least 1,000 Hours of Service during a Plan Year. The Plan contains specific rules for crediting Hours of Service for vesting purposes. The Plan Administrator will track your service and will credit you with a Year of Service for each Plan Year in which you are credited with the required Hours of Service, in accordance with the terms of the Plan. If you have any questions regarding your vesting service, you should contact the Plan Administrator.

**Hour of Service.** You will be credited with your actual Hours of Service for:

- (a) each hour for which you are directly or indirectly compensated by the Employer for the performance of duties during the Plan Year;
- (b) each hour for which you are directly or indirectly compensated by the Employer for reasons other than the performance of duties (such as vacation, holidays, sickness, disability, lay-off, military duty, jury duty or leave of absence during the Plan Year) but credit will not exceed 501 hours of service for any single continuous period during which you perform no duties; and
- (c) each hour for back pay awarded or agreed to by the Employer.

You will not be credited for the same Hours of Service both under (a) or (b), as the case may be, and under (c).

### **What service is counted for vesting purposes?**

**Service with the Employer.** In calculating your vested percentage, all service you perform for the Employer will generally be counted.

**Military Service.** If you are a veteran and are reemployed under the Uniformed Services Employment and Reemployment Rights Act of 1994, your qualified military service may be considered service with the Employer. If you may be affected by this law, ask the Plan Administrator for further details.

### **What happens to my non-vested account balance if I'm rehired?**

If you have no vested interest in the Plan when you leave, your account balance will be forfeited. However, if you are rehired before incurring five consecutive Breaks in Service, your account balance as of the date of your termination of employment will be restored, unadjusted for any gains or losses.

If you are partially vested in your account balance when you leave, the non-vested portion of your account balance will be forfeited on the earlier of the date:

- (a) of the distribution of your vested account balance, or
- (b) when you incur five consecutive Breaks in Service.

If you received a distribution of your vested account balance and are rehired, you may have the right to repay this distribution. If you repay the entire amount of the distribution, the Employer will restore your account balance with your forfeited amount. You must repay this distribution within five years from your date of rehire, or, if earlier, before you incur five consecutive Breaks in Service. If you were 100% vested when you left, you do not have the opportunity to repay your distribution.

## **ARTICLE VI DISTRIBUTIONS PRIOR TO TERMINATION OF EMPLOYMENT**

### **Can I withdraw money from my account while working?**

**In-service distributions.** You may be entitled to receive an in-service distribution. However, this distribution is not in addition to your other benefits and will therefore reduce the value of the benefits you will receive at retirement. This distribution is made at your election subject to possible administrative limitations on the frequency and actual timing of such distributions. You may withdraw amounts from accounts for rollover contributions at any time.

**Conditions and Limitations.** Generally you may receive a distribution from certain accounts prior to termination of employment provided you satisfy any of the following conditions:

- you have attained age 59 1/2. Satisfying this condition allows you to receive distributions from all contribution accounts.
- you have incurred a financial hardship as described below.
- you incur a disability (as defined in the Plan). Satisfying this condition allows you to receive distributions from all contribution accounts.

**Qualified reservist distributions.** If you: (i) are a reservist or National Guardsman; (ii) were/are called to active duty after September 11, 2001; and (iii) were/are called to duty for at least 180 days or for an indefinite period, you may take a distribution of your elective deferrals under the Plan while you are on active duty, regardless of your age. The 10% premature distribution penalty tax, normally applicable to Plan distributions made before you reach age 59 1/2, will not apply to the distribution. You also may repay the distribution to an IRA, without limiting amounts you otherwise could contribute to the IRA, provided you make the repayment within 2 years following your completion of active duty.

The following additional limitations apply to in-service distributions from certain accounts:

- Although you may receive an in-service distribution from accounts which are not 100% vested, the amount of the distribution may not exceed the vested amount in the distributing account.

### **Additional in-service distribution limitation provisions:**

A \$1,000 minimum Distribution amount applies to Hardship Distributions.

### **Can I withdraw money from my account in the event of financial hardship?**

**Hardship distributions.** You may withdraw money on account of financial hardship if you satisfy certain conditions. This hardship distribution is not in addition to your other benefits and will therefore reduce the value of the benefits you will receive upon termination of employment or other event entitling you to distribution of your account balance. You may not receive a hardship distribution from your safe harbor, qualified nonelective or qualified matching contribution accounts, if any.

**Qualifying expenses.** A hardship distribution may be made to satisfy certain immediate and heavy financial needs that you have. A hardship distribution may only be made for payment of the following:

- Expenses for medical care (described in Section 213(d) of the Internal Revenue Code) for you, your spouse or your dependents. This also includes medical expenses for the death beneficiary of your Plan account.
- Costs directly related to the purchase of your principal residence (excluding mortgage payments).
- Tuition, related educational fees, and room and board expenses for the next twelve (12) months of post-secondary education for you, your spouse, your children or your dependents. This also includes such education expenses for the death beneficiary of your Plan account.
- Amounts necessary to prevent your eviction from your principal residence or foreclosure on the mortgage of your principal residence.
- Payments for burial or funeral expenses for your deceased parent, spouse, children or dependents. This also includes burial or funeral expenses for the death beneficiary of your Plan account.
- Expenses for the repair of damage to your principal residence (that would qualify for the casualty loss deduction under Internal Revenue Code Section 165).

The ability to obtain a hardship distribution for certain expenses of your beneficiary is effective August 17, 2006. For this purpose, your beneficiary is the person you designate under the Plan (or the Plan otherwise designates in the absence of your designation) to receive your death benefit and who is not necessarily your spouse or dependent.

**Conditions.** If you have any of the above expenses, a hardship distribution can only be made if you certify and agree that all of the following conditions are satisfied:

- (a) The distribution is not in excess of the amount of your immediate and heavy financial need. The amount of your immediate and heavy financial need may include any amounts necessary to pay any federal, state, or local income taxes or penalties reasonably anticipated to result from the distribution;
- (b) You have obtained all distributions, other than hardship distributions, and all nontaxable loans currently available under all plans that the Employer maintains; and
- (c) That you will not make any elective deferrals for at least six (6) months after your receipt of the hardship distribution.

**Account restrictions.** You may request a hardship distribution only from the vested portion of the following accounts:

- pre-tax 401(k) deferral accounts
- Roth 401(k) deferral accounts
- account(s) attributable to Employer matching contributions, except any safe harbor matching contributions

**Elective Deferral account restrictions.** In addition, there are restrictions placed on hardship distributions which are made from your elective deferral accounts. Generally, the earnings on your elective deferrals may not be distributed to you on account of a hardship as the amount of any hardship distribution from your deferral account is limited to the amount of your prior deferrals, less any deferrals previously distributed. Ask the Plan Administrator if you need further details.

## **ARTICLE VII DISTRIBUTIONS UPON TERMINATION OF EMPLOYMENT**

### **When can I get money out of the Plan?**

You may receive a distribution of the vested portion of some or all of your accounts in the Plan when you terminate employment with the Employer. The rules regarding the payment of death benefits to your beneficiary are described in the Article in this SPD entitled "Distributions upon Death."

As to the possibility of receiving a distribution while you are still employed with the Employer, see the Article in this SPD entitled "Distributions Prior to Termination of Employment."

**Military Service.** If you are a veteran and are reemployed under the Uniformed Services Employment and Reemployment Rights Act of 1994, your qualified military service may be considered service with the Employer. There may also be benefits for employees who die or become disabled while on active duty. Employees who receive wage continuation payments while in the military may benefit from various changes in the law. If you think you may be affected by these rules, ask the Plan Administrator for further details.

### **Termination and distribution before Normal Retirement Age (or age 62 if later)**

If your vested account balance exceeds \$5,000, your consent is required to distribute your account before you reach Normal Retirement Age (or age 62 if later). You may elect to have your vested account balance distributed to you as soon as administratively feasible following your termination of employment. (See the question entitled "In what method and form will my benefits be paid to me?" below for an explanation of the method of payment.)

If you terminate employment with a vested account balance exceeding \$5,000, you may elect to postpone your distribution until your "required beginning date" described below.

If your vested account balance does not exceed \$5,000, a distribution of your vested account balance will be made to you, regardless of whether you consent to receive it, as soon as administratively feasible following your termination of employment. (See the question entitled "In what method and form will my benefits be paid to me?" below for an explanation of the method of payment.)

Amounts in your rollover account will not be considered as part of your benefit in determining whether the \$5,000 threshold for timing of payments described above has been exceeded as well as for determining if the value of your vested account balance exceeds the \$5,000 threshold used to determine whether you must consent to a distribution.

**Automatic Rollover of Certain Account Balances.** If your vested account balance does not exceed \$5,000, the Plan will distribute your account without your consent. If the amount of the distribution exceeds \$1,000 (including any rollover contribution) and you do not elect to either receive or roll over the distribution, your distribution will be directly rolled over to an IRA. See "Automatic IRA Rollover of Certain Account Balances" in the Article in this SPD entitled "Tax Treatment of Distributions."

### **Distribution on or after Normal Retirement Age (or age 62 if later)**

If you terminate employment with the Employer and will receive distribution on or after the later of age 62 or Normal Retirement Age, the Plan will distribute your account without your consent. The distribution will occur as soon as administratively feasible at the same time described above for other pre-62/Normal Retirement Age distributions not requiring your consent, but in any event distribution will be made no later than 60 days after the end of the Plan Year in which you terminate employment. Notwithstanding the foregoing, if your vested account balance exceeds \$5,000 (including rollover contributions), you may elect to postpone your distribution until your "required beginning date" described below.

### **What is Normal Retirement Age and what is the significance of reaching Normal Retirement Age?**

You will attain your Normal Retirement Age when you reach age 65.

You will become 100% vested in all of your accounts under the Plan (assuming you are not already fully vested) if you are employed on or after your Normal Retirement Age.

### **What happens if I terminate employment due to disability?**

**Definition of disability.** Under the Plan, disability is defined as the inability to engage in any substantial gainful activity by reason of any medically determinable physical or mental impairment that can be expected to result in death or which has lasted or can be expected to last for a continuous period of not less than twelve months. The permanence and degree of such impairment must be supported by medical evidence. The Plan Administrator may require that your disability be determined by a licensed physician.

**Payment of benefits.** If you terminate employment because you become disabled, you will become 100% vested in all of your accounts under the Plan and the Plan will distribute your account balance in the same manner as for any other non-death related termination.

### **In what method and form will my benefits be paid to me?**

#### **Termination and distribution before Normal Retirement Age (or age 62 if later)**

If you terminate employment and will receive a distribution before the later of age 62 or Normal Retirement Age and your vested account balance does not exceed \$5,000, then your vested account balance may only be distributed to you in a single lump-sum payment in cash.

If you terminate employment and will receive a distribution before the later of age 62 and Normal Retirement Age and your vested account balance exceeds \$5,000, you may elect to receive a distribution of your vested account balance in:

- a single lump-sum payment in cash
- installments over a period of not more than your assumed life expectancy (or the assumed life expectancies of you and your beneficiary)
- Ad-Hoc distributions. You may request a distribution of some or all of your Plan accounts, at any time following your termination of employment, subject to any reasonable limits regarding timing and amounts as the Plan Administrator may impose.

In determining whether your vested account balance exceeds the \$5,000 dollar threshold, "rollovers" (and any earnings allocable to "rollover" contributions) will not be taken into account.

#### **Additional distribution provisions**

Various annuity options are available from Sentry Life Insurance Company.

#### **Distribution on or after Normal Retirement Age (or age 62 if later)**

If you terminate employment and will receive distribution on or following the attainment of the later of age 62 or Normal Retirement Age, and your vested account balance (including rollovers) does not exceed \$5,000, you will receive distribution in the form of a single lump-sum payment in cash. If your balance exceeds \$5,000, you may elect to receive distribution as described above relating to termination before the later of age 62 and Normal Retirement Age. In determining whether your vested account balance exceeds the \$5,000 dollar threshold, "rollovers" (and any earnings allocable to "rollover" contributions) will be taken into account.

#### **Required beginning date**

As described above, you may delay the distribution of your vested account balance. However, if you elect to delay the distribution of your vested account balance, there are rules that require that certain minimum distributions be made from the Plan. If you are a 5% owner, distributions are required to begin not later than the April 1st following the end of the year in which you reach age 70 1/2. If you are not a 5% owner, distributions are required to begin not later than the April 1st following the later of the end of the year in which you reach age 70 1/2 or terminate employment. You should see the Plan Administrator if you think you may be affected by these rules.

### **ARTICLE VIII DISTRIBUTIONS UPON DEATH**

#### **What happens if I die while working for the Employer?**

If you die while still employed by the Employer, then 100% of your account balance will be used to provide your beneficiary with a death benefit.

#### **Who is the beneficiary of my death benefit?**

You may designate a beneficiary of your Plan account on a form provided to you for this purpose by the Plan Administrator. If you do not designate a beneficiary, your account will be distributed as described below under "No beneficiary designation." If you are married, your spouse has certain rights to the death benefit. You should immediately report any change in your marital status to the Plan Administrator.

**Married Participant.** If you are married at the time of your death, your spouse will be the beneficiary of the entire death benefit unless you designate in writing a different beneficiary. IF YOU WISH TO DESIGNATE A BENEFICIARY OTHER THAN YOUR SPOUSE, YOUR SPOUSE MUST IRREVOCABLY CONSENT TO WAIVE ANY RIGHT TO THE DEATH BENEFIT. YOUR SPOUSE'S CONSENT MUST BE IN WRITING, BE WITNESSED BY A NOTARY OR A PLAN REPRESENTATIVE AND ACKNOWLEDGE THE SPECIFIC NON-SPOUSE BENEFICIARY.

#### **Changes to designation.**

If, with spousal consent as required, you have designated someone other than your spouse as beneficiary and now wish to change your designation, see the Plan Administrator for details. In addition, you may elect a beneficiary other than your spouse without your spouse's consent if your spouse cannot be located.

**Divorce.** A divorce decree automatically revokes your designation of your spouse or former spouse as your beneficiary under the Plan unless a Qualified Domestic Relations Order provides otherwise. You should complete a form to make a new beneficiary designation if a divorce decree is issued. See the Plan Administrator for details if you think you may be affected by this provision.

**Unmarried Participant.** If you are not married, you may designate a beneficiary of your choosing.

**No beneficiary designation.** At the time of your death, if you have not designated a beneficiary or your beneficiary is not alive, the death benefit will be paid in the following order of priority to:

- (a) your surviving spouse
- (b) your children, including adopted children in equal shares (and if a child is not living, that child's share will be distributed to that child's living descendants)
- (c) your surviving parents, in equal shares
- (d) your estate

## **How will the death benefit be paid to my beneficiary?**

**Method/form of distribution.** The form of payment of the death benefit will be in cash. If the death benefit payable to a beneficiary does not exceed \$5,000, then the benefit may only be paid as a lump sum. If the death benefit exceeds \$5,000, your beneficiary may elect to have the death benefit paid in:

- a single lump-sum payment in cash
- annual installments at least equal to the required minimum distribution amount
- Ad-Hoc distributions. Your beneficiary may request a distribution of some or all of the death benefit, at any time following your death, subject to any reasonable limits the Plan Administrator may impose. Each such distribution must be at least equal to the required minimum distribution amount.

**Timing of distribution.** Payment of the death benefit must begin by the end of the calendar year which follows the year of your death if your designated beneficiary is a person, unless you die before your required beginning date and your designated beneficiary elects to have the entire death benefit paid by the end of the fifth year following the year of your death as indicated below. If your designated beneficiary is not a person, then your entire death benefit must generally be paid within five years after your death. If your spouse is the sole beneficiary, your spouse may delay the start of payments until the year in which you would have attained age 70 1/2.

## **When must the last payment be made to my beneficiary (required minimum distributions)?**

The law generally restricts the ability of a retirement plan to be used as a method of deferring taxation for an unlimited period beyond the participant's life. Thus, there are rules that are designed to ensure that death benefits are distributable to beneficiaries within certain time periods. The application of these rules depends upon whether you die before or after your "required beginning date" as described above under "Required beginning date."

### **Death before required beginning date.**

Regardless of the method of distribution a beneficiary might otherwise be able to elect, if your designated beneficiary is a person (other than your estate or certain trusts), then minimum distributions of your death benefit must begin by the end of the calendar year which follows the year of your death and must be paid over a period not extending beyond your beneficiary's life expectancy. If your spouse is the sole beneficiary, your spouse may delay the start of payments until the year in which you would have attained age 70 1/2. However, instead of a life expectancy based distribution, your designated beneficiary may elect to have the entire death benefit paid by the end of the fifth year following the year of your death. Generally, if your beneficiary is not a person, then your entire death benefit must be paid within five years after your death.

### **Death after required beginning date.**

If you die on or after your required beginning date, regardless of the method of distribution a beneficiary might otherwise be able to elect, payment must be made over a period which does not exceed the greater of the beneficiary's life expectancy or your remaining life expectancy (determined in accordance with applicable life expectancy tables and without regard to your actual death). If your beneficiary is not a person, your entire death benefit must be paid over a period not exceeding your remaining life expectancy (determined in accordance with applicable life expectancy tables and without regard to your actual death).

## **What happens if I terminate employment, commence payments and then die before receiving all of my benefits?**

Your beneficiary will be entitled to your remaining vested interest in the Plan at the time of your death. See the Plan Administrator for more information regarding the timing and method of payments that apply to your beneficiary. The provision in the Plan providing for full vesting of your benefit upon death does not apply if you die after terminating employment.

## **ARTICLE IX TAX TREATMENT OF DISTRIBUTIONS**

### **What are my tax consequences when I receive a distribution from the Plan?**

Generally, you must include any Plan distribution in your taxable income in the year in which you receive the distribution. The tax treatment may also depend on your age when you receive the distribution. Certain distributions made to you when you are under age 59 1/2 could be subject to an additional 10% tax.

You will not be taxed on distributions of your Roth 401(k) deferrals. In addition, a distribution of the earnings on the Roth 401(k) deferrals will not be subject to tax if the distribution is a "qualified distribution." A "qualified distribution" is one that is made after you have attained age 59 1/2 or is made on account of your death or disability. In addition, in order to be a "qualified distribution," the distribution cannot be made prior to the expiration of a 5-year participation period. The 5-year participation period is the 5-year period beginning on the calendar year in which you first make a Roth 401(k) deferral to our Plan (or to another 401(k) plan or 403(b) plan if such amount was rolled over into this Plan) and ending on the last day of the calendar year that is 5 years later.

**Qualified reservist distributions.** If you: (i) are a reservist or National Guardsman; (ii) were/are called to active duty after September 11, 2001; and (iii) were/are called to duty for at least 180 days or for an indefinite period, you may take a distribution of your elective deferrals under the Plan while you are on active duty, regardless of your age. The 10% premature distribution penalty tax, normally

applicable to Plan distributions made before you reach age 59 1/2, will not apply to the distribution. You also may repay the distribution to an IRA, without limiting amounts you otherwise could contribute to the IRA, provided you make the repayment within 2 years following your completion of active duty.

#### **Can I elect a rollover to reduce or defer tax on my distribution?**

**Rollover or Direct Transfer.** You may reduce, or defer entirely, the tax due on your distribution through use of one of the following methods:

(a) **60-day rollover.** You may roll over all or a portion of the distribution to an Individual Retirement Account or Annuity (IRA) or another employer retirement plan willing to accept the rollover. This will result in no tax being due until you begin withdrawing funds from the IRA or other qualified employer plan. The rollover of the distribution, however, **MUST** be made within strict time frames (normally, within 60 days after you receive your distribution). Under certain circumstances, all or a portion of a distribution (such as a hardship distribution) may not qualify for this rollover treatment. In addition, most distributions will be subject to mandatory federal income tax withholding at a rate of 20%. This will reduce the amount you actually receive. For this reason, if you wish to roll over all or a portion of your distribution amount, then the direct rollover option described in paragraph (b) below would be the better choice.

(b) **Direct rollover.** For most distributions, you may request that a direct transfer (sometimes referred to as a direct rollover) of all or a portion of a distribution be made to either an Individual Retirement Account or Annuity (IRA) or another employer retirement plan willing to accept the transfer (See the question entitled "What are the In-Plan Roth Rollover Contributions?" for special rules on In-Plan Roth Rollovers). A direct transfer will result in no tax being due until you withdraw funds from the IRA or other employer plan. Like the rollover, under certain circumstances all or a portion of the amount to be distributed may not qualify for this direct transfer. If you elect to actually receive the distribution rather than request a direct transfer, then in most cases 20% of the distribution amount will be withheld for federal income tax purposes.

#### **Automatic IRA Rollover of Certain Account Balances**

If a mandatory distribution is being made to you before the later of age 62 or Normal Retirement Age and your vested account balance does not exceed \$5,000 (disregarding any rollover contribution), the Plan will distribute your vested portion in a single lump-sum payment in cash. However, you may elect whether to receive the distribution or to roll over the distribution to another retirement plan such as an individual retirement account ("IRA"). At the time of your termination of employment, the Plan Administrator will provide you with further information regarding your distribution rights. If the amount of the distribution exceeds \$1,000 (including any rollover contribution) and you do not elect either to receive or to roll over the distribution, the Plan automatically will roll over the distribution to an IRA. The IRA provider will invest the rollover funds in a type of investment designed to preserve principal and to provide a reasonable rate of return and liquidity (e.g., an interest-bearing account, a certificate of deposit or a money market fund). The IRA provider will charge your account for any expenses associated with the establishment and maintenance of the IRA and with the IRA investments. In addition, your beneficiary designation under the Plan, if any, will not apply to the rollover IRA. The IRA's terms will control in establishing a designated beneficiary under the IRA. You may transfer the IRA funds to any other IRA you choose. You may contact the Plan Administrator at the address and telephone number indicated in this SPD for further information regarding the Plan's automatic rollover provisions, the IRA provider and the fees and charges associated with the IRA.

**Tax Notice.** WHENEVER YOU RECEIVE A DISTRIBUTION THAT IS AN ELIGIBLE ROLLOVER DISTRIBUTION, THE PLAN ADMINISTRATOR WILL DELIVER TO YOU A MORE DETAILED EXPLANATION OF THESE OPTIONS. HOWEVER, THE RULES WHICH DETERMINE WHETHER YOU QUALIFY FOR FAVORABLE TAX TREATMENT ARE VERY COMPLEX. YOU SHOULD CONSULT WITH QUALIFIED TAX COUNSEL BEFORE MAKING A CHOICE.

### **ARTICLE X LOANS**

#### **Is it possible to borrow money from the Plan?**

Yes. Loans are permitted in accordance with the Plan Loan Policy attached to this SPD.

### **ARTICLE XI PROTECTED BENEFITS AND CLAIMS PROCEDURES**

#### **Are my benefits protected?**

As a general rule, your interest in your account, including your "vested interest," may not be alienated. This means that your interest may not be sold, used as collateral for a loan (other than for a Plan loan), given away or otherwise transferred (except at death to your beneficiary). In addition, your creditors (other than the IRS) may not attach, garnish or otherwise interfere with your benefits under the Plan.

### **Are there any exceptions to the general rule?**

There are three exceptions to this general rule. The Plan Administrator must honor a qualified domestic relations order (QDRO). A QDRO is defined as a decree or order issued by a court that obligates you to pay child support or alimony, or otherwise allocates a portion of your assets in the Plan to your spouse, former spouse, children or other dependents. If a QDRO is received by the Plan Administrator, all or a portion of your benefits may be used to satisfy that obligation. The Plan Administrator will determine the validity of any domestic relations order received. You and your beneficiaries can obtain from the Plan Administrator, without charge, a copy of the procedure used by the Plan Administrator to determine whether a qualified domestic relations order is valid.

The second exception applies if you are involved with the Plan's operation. If you are found liable for any action that adversely affects the Plan, the Plan Administrator can offset your benefits by the amount that you are ordered or required by a court to pay the Plan. All or a portion of your benefits may be used to satisfy any such obligation to the Plan.

The last exception applies to Federal tax levies and judgments. The Federal government is able to use your interest in the Plan to enforce a Federal tax levy and to collect a judgment resulting from an unpaid tax assessment.

### **Can the Employer amend the Plan?**

The Employer has the right to amend the Plan at any time. In no event, however, will any amendment authorize or permit any part of the Plan assets to be used for purposes other than the exclusive benefit of participants or their beneficiaries. Additionally, no amendment will cause any reduction in the amount credited to your account.

### **What happens if the Plan is discontinued or terminated?**

Although the Employer intends to maintain the Plan indefinitely, the Employer reserves the right to terminate the Plan at any time. Upon termination, no further contributions will be made to the Plan and all amounts credited to your accounts will become 100% vested. The Employer will direct the distribution of your accounts in a manner permitted by the Plan as soon as practicable. You will be notified if the Plan is terminated.

### **How do I submit a claim for Plan benefits?**

Benefits will generally be paid to you and your beneficiaries without the necessity for formal claims. Contact the Plan Administrator if you are entitled to benefits or if you think an error has been made in determining your benefits. Any such request should be in writing.

If the Plan Administrator determines the claim is valid, then you will receive a statement describing the amount of benefit, the method or methods of payment, the timing of distributions and other information relevant to the payment of the benefit.

### **What if my benefits are denied?**

Your request for Plan benefits will be considered a claim for Plan benefits, and it will be subject to a full and fair review. If your claim is wholly or partially denied, the Plan Administrator will provide you with a written or electronic notification of the Plan's adverse determination. This written or electronic notification must be provided to you within a reasonable period of time, but not later than 90 days after the receipt of your claim by the Plan Administrator, unless the Plan Administrator determines that special circumstances require an extension of time for processing your claim. If the Plan Administrator determines that an extension of time for processing is required, written notice of the extension will be furnished to you prior to the termination of the initial 90-day period. In no event will such extension exceed a period of 90 days from the end of such initial period. The extension notice will indicate the special circumstances requiring an extension of time and the date by which the Plan expects to render the benefit determination.

In the case of a claim for disability benefits, if disability is determined by a physician (rather than relying upon a determination of disability for Social Security purposes), then instead of the above, the Plan Administrator will provide you with written or electronic notification of the Plan's adverse benefit determination within a reasonable period of time, but not later than 45 days after receipt of the claim by the Plan. This period may be extended by the Plan for up to 30 days, provided that the Plan Administrator both determines that such an extension is necessary due to matters beyond the control of the Plan and notifies you, prior to the expiration of the initial 45-day period, of the circumstances requiring the extension of time and the date by which the Plan expects to render a decision. If, prior to the end of the first 30-day extension period, the Plan Administrator determines that, due to matters beyond the control of the Plan, a decision cannot be rendered within that extension period, the period for making the determination may be extended for up to an additional 30 days, provided that the Plan Administrator notifies you, prior to the expiration of the first 30-day extension period, of the circumstances requiring the extension and the date as of which the plan expects to render a decision. In the case of any such extension, the notice of extension will specifically explain the standards on which entitlement to a benefit is based, the unresolved issues that prevent a decision on the claim, and the additional information needed to resolve those issues, and you will be afforded at least 45 days within which to provide the specified information.

The Plan Administrator's written or electronic notification of any adverse benefit determination must contain the following information:

- (a) The specific reason or reasons for the adverse determination.
- (b) Reference to the specific Plan provisions on which the determination is based.
- (c) A description of any additional material or information necessary for you to perfect the claim and an explanation of why such material or information is necessary.

- (d) Appropriate information as to the steps to be taken if you or your beneficiary wants to submit your claim for review.
- (e) In the case of disability benefits where disability is determined by a physician:
  - (i) If an internal rule, guideline, protocol, or other similar criterion (collectively "rule") was relied upon in making the adverse determination, either the specific rule or a statement that such rule was relied upon in making the adverse determination and that a copy of that rule will be provided to you free of charge upon request.
  - (ii) If the adverse benefit determination is based on a medical necessity or experimental treatment or similar exclusion or limit, either an explanation of the scientific or clinical judgment for the determination, applying the terms of the Plan to your medical circumstances, or a statement that such explanation will be provided to you free of charge upon request.

If your claim has been denied, and you want to submit your claim for review, you must follow the claims review procedure in the next question.

**What is the claims review procedure?**

Upon the denial of your claim for benefits, you may file your claim for review, in writing, with the Plan Administrator.

- (a) YOU MUST FILE THE CLAIM FOR REVIEW NO LATER THAN 60 DAYS AFTER YOU HAVE RECEIVED WRITTEN NOTIFICATION OF THE DENIAL OF YOUR CLAIM FOR BENEFITS.

HOWEVER, IF YOUR CLAIM IS FOR DISABILITY BENEFITS AND DISABILITY IS DETERMINED BY A PHYSICIAN, THEN INSTEAD OF THE ABOVE, YOU MUST FILE THE CLAIM FOR REVIEW NO LATER THAN 180 DAYS FOLLOWING RECEIPT OF NOTIFICATION OF AN ADVERSE BENEFIT DETERMINATION.

- (b) You may submit written comments, documents, records, and other information relating to your claim for benefits.
- (c) You may review all pertinent documents relating to the denial of your claim and submit any issues and comments, in writing, to the Plan Administrator.
- (d) You will be provided, upon request and free of charge, reasonable access to, and copies of, all documents, records, and other information relevant to your claim for benefits.
- (e) Your claim for review must be given a full and fair review. This review will take into account all comments, documents, records, and other information submitted by you relating to your claim, without regard to whether such information was submitted or considered in the initial benefit determination.

In addition to the claims review procedure above, if your claim is for disability benefits and disability is determined by a physician, then:

- (a) Your claim will be reviewed without deference to the initial adverse benefit determination and the review will be conducted by an appropriate named fiduciary of the Plan who is neither the individual who made the adverse benefit determination that is the subject of the appeal, nor the subordinate of such individual.
- (b) In deciding an appeal of any adverse benefit determination that is based in whole or part on medical judgment, the appropriate named fiduciary will consult with a health care professional who has appropriate training and experience in the field of medicine involved in the medical judgment.
- (c) Any medical or vocational experts whose advice was obtained on behalf of the Plan in connection with your adverse benefit determination will be identified, without regard to whether the advice was relied upon in making the benefit determination.
- (d) The health care professional engaged for purposes of a consultation under (b) above will be an individual who is neither an individual who was consulted in connection with the adverse benefit determination that is the subject of the appeal, nor the subordinate of any such individual.

The Plan Administrator will provide you with written or electronic notification of the Plan's benefit determination on review. The Plan Administrator must provide you with notification of this denial within 60 days after the Plan Administrator's receipt of your written claim for review, unless the Plan Administrator determines that special circumstances require an extension of time for processing your claim. If the Plan Administrator determines that an extension of time for processing is required, written notice of the extension will be furnished to you prior to the termination of the initial 60-day period. In no event will such extension exceed a period of 60 days from the end of the initial period. The extension notice will indicate the special circumstances requiring an extension of time and the date by which the Plan expects to render the determination on review. However, if the claim relates to disability benefits and disability is determined by a physician, then 45 days will apply instead of 60 days in the preceding sentences. In the case of an adverse benefit determination, the notification will set forth:

- (a) The specific reason or reasons for the adverse determination.
- (b) Reference to the specific Plan provisions on which the benefit determination is based.

(c) A statement that you are entitled to receive, upon request and free of charge, reasonable access to, and copies of, all documents, records, and other information relevant to your claim for benefits.

(d) In the case of disability benefits where disability is determined by a physician:

(i) If an internal rule, guideline, protocol, or other similar criterion (collectively "rule") was relied upon in making the adverse determination, either the specific rule or a statement that such rule was relied upon in making the adverse determination and that a copy of that rule will be provided to you free of charge upon request.

(ii) If the adverse benefit determination is based on a medical necessity or experimental treatment or similar exclusion or limit, either an explanation of the scientific or clinical judgment for the determination, applying the terms of the Plan to your medical circumstances, or a statement that such explanation will be provided to you free of charge upon request.

If you have a claim for benefits which is denied, then you may file suit in a state or Federal court. However, in order to do so, you must file the suit no later than 180 days after the date of the Plan Administrator's final determination denying your claim.

### **What are my rights as a Plan participant?**

As a participant in the Plan you are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974 (ERISA). ERISA provides that all Plan participants are entitled to:

(a) Examine, without charge, at the Plan Administrator's office and at other specified locations, all documents governing the Plan, including collective bargaining agreements and insurance contracts, if any, and a copy of the latest annual report (Form 5500 Series) filed by the Plan with the U.S. Department of Labor and available at the Public Disclosure Room of the Employee Benefits Security Administration.

(b) Obtain, upon written request to the Plan Administrator, copies of documents governing the operation of the Plan, including collective bargaining agreements and insurance contracts, if any, and copies of the latest annual report (Form 5500 Series) and updated summary plan description. The Plan Administrator may make a reasonable charge for the copies.

(c) Receive a summary of the Plan's annual financial report. The Plan Administrator is required by law to furnish each participant with a copy of this summary annual report.

In addition to creating rights for Plan participants, ERISA imposes duties upon the people who are responsible for the operation of the Plan. The people who operate your Plan, called "fiduciaries" of the Plan, have a duty to do so prudently and in the interest of you and other Plan participants and beneficiaries. No one, including the Employer or any other person, may fire you or otherwise discriminate against you in any way to prevent you from obtaining a pension benefit or exercising your rights under ERISA.

If your claim for a pension benefit is denied or ignored, in whole or in part, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules.

Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of Plan documents or the latest annual report from the Plan and do not receive them within 30 days, you may file suit in a Federal court. In such a case, the court may require the Plan Administrator to provide the materials and pay you up to \$110.00 a day until you receive the materials, unless the materials were not sent because of reasons beyond the control of the Plan Administrator.

If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in a state or Federal court. In addition, if you disagree with the Plan's decision or lack thereof concerning the qualified status of a domestic relations order or a medical child support order, you may file suit in Federal court. You and your beneficiaries can obtain, without charge, a copy of the Plan's QDRO procedures from the Plan Administrator.

If it should happen that the Plan's fiduciaries misuse the Plan's money, or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a Federal court. The court will decide who should pay court costs and legal fees. If you are successful, the court may order the person you have sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example, if it finds your claim is frivolous.

### **What can I do if I have questions or my rights are violated?**

If you have any questions about the Plan, you should contact the Plan Administrator. If you have any questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the Plan Administrator, you should contact the nearest office of the Employee Benefits Security Administration, U.S. Department of Labor, listed in the telephone directory or the Division of Technical Assistance and Inquiries, Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue, N.W., Washington, D.C. 20210. You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefits Security Administration.

**ARTICLE XII  
GENERAL INFORMATION ABOUT THE PLAN**

There is certain general information which you may need to know about the Plan. This information has been summarized for you in this Article.

**Plan Name**

The full name of the Plan is Quabbin, Inc. 401(k) Plan.

**Plan Number**

The Employer has assigned Plan Number 001 to your Plan.

**Plan Effective Dates**

This Plan was originally effective on February 1, 2013. The amended and restated provisions of the Plan become effective on December 1, 2014.

**Other Plan Information**

Valuations of the Plan assets are made annually on the last day of the Plan Year. In addition, valuations of all contributions are made every business day. The Plan Administrator also may require more frequent valuations.

The Plan's records are maintained on a twelve-month period of time. This is known as the Plan Year. The Plan Year ends on December 31st.

The Plan and Trust will be governed by the laws of the state of the Employer's principal place of business to the extent not governed by federal law.

Benefits provided by the Plan are NOT insured by the Pension Benefit Guaranty Corporation (PBGC) under Title IV of the Employee Retirement Income Security Act of 1974 because the insurance provisions under ERISA are not applicable to this type of Plan.

Service of legal process may be made upon the Employer. Service of legal process may also be made upon the Trustee or Plan Administrator.

**Employer Information**

The Employer's name, address, business telephone number and identification number are:

Quabbin, Inc.  
158 Governor Dukakis Drive  
Orange, Massachusetts 01364  
978-544-3872  
04-2941273

**Plan Administrator Information**

The Plan Administrator is responsible for the day-to-day administration and operation of the Plan. For example, the Plan Administrator maintains the Plan records, including your account information, provides you with the forms you need to complete for Plan participation, and directs the payment of your account at the appropriate time. The Plan Administrator will also allow you to review the formal Plan document and certain other materials related to the Plan. If you have any questions about the Plan or your participation, you should contact the Plan Administrator. The Plan Administrator may designate other parties to perform some duties of the Plan Administrator.

The Plan Administrator has the complete power, in its sole discretion, to determine all questions arising in connection with the administration, interpretation, and application of the Plan (and any related documents and underlying policies). Any such determination by the Plan Administrator is conclusive and binding upon all persons.

The name, address and business telephone number of the Plan's Administrator are:

Quabbin, Inc.  
158 Governor Dukakis Drive  
Orange, Massachusetts 01364  
978-544-3872

### **Plan Trustee Information and Plan Funding Medium**

All money that is contributed to the Plan is held in a trust fund. The Trustee is responsible for the safekeeping of the trust fund and must hold and invest Plan assets (unless the investment of assets is subject to Participant or other direction) in a prudent manner and in the best interest of you and your beneficiaries. The trust fund established by the Plan's Trustee(s) will be the funding medium used for the accumulation of assets from which benefits will be distributed. While all the Plan assets are held in a trust fund, the Plan Administrator separately accounts for each Participant's interest in the Plan. If there is more than one Trustee, they will collectively be referred to as Trustee throughout this Summary Plan Description.

The Plan's Trustee is:

Mark F. LeBoeuf  
158 Governor Dukakis Drive  
Orange, Massachusetts 01364

The business telephone number for the Plan's Trustee is:

978-544-3872

**APPENDIX**  
**PLAN EXPENSE ALLOCATIONS**

The Employer may pay some Plan administration expenses with its own assets rather than using Plan assets. To the extent the Employer does not pay Plan expenses with its own assets, the Plan generally will pay the expenses of Plan administration and will assess the expenses paid against the accounts of all participants in the Plan. The Employer may, from time to time, change the manner in which expenses are allocated.

**APPENDIX  
PLAN LOAN POLICY**

Quabbin, Inc. 401(k) Plan permits loans to be made to Participants, their beneficiaries, and alternate payees pursuant to a written loan policy. All references to Participants in this loan policy include Participants and their Beneficiaries or any alternate payee with respect to the Plan provided that the borrower must qualify as a "party in interest" as defined by ERISA Section 3(14). All current employees of the Employer and certain former Employees qualify as parties in interest.

The Plan Administrator is authorized to administer the Participant loan policy. All applications for loans will be made by a Participant to the Plan Administrator on forms which the Plan Administrator will make available for such purpose.

1. **LOAN APPLICATION/BORROWER QUALIFICATION.** Any Participant may apply for a loan from the Plan. A Participant must apply for each loan with an application which specifies the amount of the loan desired, the requested duration for the loan and the source of security for the loan.

All loan applications will be considered by the Plan Administrator within a reasonable time after the Participant makes formal application.

The Plan Administrator will determine whether a Participant qualifies for a loan, applying such criteria as a commercial lender of funds would apply in like circumstances with respect to the Participant. Such criteria will include, but need not be limited to, the creditworthiness of the Participant and his or her general ability to repay the loan, the period of time such Participant has been employed by the Employer, whether adequate security has been provided for the loan, and whether the Participant agrees, as a condition for receiving the loan, to make repayments through direct, after-tax payroll deduction. The Participant will be required to provide any supporting information deemed necessary by the Plan Administrator. This may include a financial statement, tax returns and such other financial information which the Plan Administrator may consider necessary and appropriate to determine whether a loan should be granted. The Participant will also authorize the Plan Administrator to obtain a credit report on the Participant.

2. **LOAN LIMITATIONS.** The Plan Administrator will not approve any loan to a Participant in an amount which exceeds 50% of his or her nonforfeitable account balance. The maximum aggregate dollar amount of loans outstanding to any Participant may not exceed \$50,000, reduced by the excess of the Participant's highest outstanding Participant loan balance during the 12-month period ending on the date of the loan over the Participant's current outstanding Participant loan balance on the date of the loan. With regard to any loan made pursuant to this loan policy, the following rule(s) and limitation(s) will apply, in addition to such other requirements set forth in the Plan:

- No loan in an amount less than \$1,000 will be granted to any Participant.
- A Participant can have two (2) loan(s) currently outstanding from the Plan.
- Loan refinancing is not permitted.
- Loans will be permitted only for the purposes of the secondary education expenses of the Participant or the Participant's spouse, children, or dependents; for the medical or dental expenses of the Participant or the Participant's spouse, children, or dependents which are not reimbursable by insurance; for a down payment on or renovation of the Participant's principal residence (not including mortgage payments); to avoid foreclosure or eviction from the Participant's principal residence; for burial or funeral expenses for the Participant's parent, spouse, children or dependents; or for the repair of damage to the Participant's principal residence that qualifies for the casualty deduction under IRC 165.
- Loans will be made from the following accounts in the following order:
  - (a) Rollovers (Unrelated then Roth)
  - (b) Deferrals (Pre-tax then Roth)
  - (c) Employer Contributions (Match then Non-Elective); d: In-Plan Roth Rollovers

3. **EVIDENCE AND TERMS OF LOAN.** The Plan Administrator will document every loan in the form of a promissory note signed by the Participant for the face amount of the loan, together with a commercially reasonable rate of interest.

Any loan granted or renewed under this policy will bear a commercially reasonable rate of interest established by the Plan Administrator. In determining such rate of interest, the Plan will require a rate of return commensurate with the prevailing interest rate charged on similar loans under like circumstances by persons in the business of lending money. Such prevailing interest rate standard will permit the Plan Administrator to consider factors pertaining to the opportunity for gain and risk of loss that a professional lender would consider on a similar arms-length transaction, such as the creditworthiness of the Participant and the security given for the loan. Therefore, in establishing the rate of interest, the Plan Administrator will conduct a reasonable and prudent inquiry with professional lenders in the same geographic locale where the Participant and Employer reside to determine such prevailing interest rate for loans under like circumstances.

The loan must provide at least quarterly payments under a level amortization schedule. If the Participant is currently employed by the Employer, the Plan Administrator will require the Participant receiving a loan from the Plan to enter into either a payroll deduction or an ACH agreement to repay the loan.

The Plan Administrator will fix the term for repayment of any loan, however, in no instance may the term of repayment be greater than five years, unless the loan qualifies as a home loan. A "home loan" is a loan used to acquire a dwelling unit which, within a reasonable time, the Participant will use as a principal residence. The term for a home loan will be up to 30 years.

All loans will be considered a directed investment from the account(s) of the Participant maintained under the Plan. As such, all payments of principal and interest made by the Participant will be credited only to the account(s) of such Participant.

The Plan will charge that portion of the Participant's account balances with expenses directly related to the loan set-up, annual maintenance, administrative charges, and collection of the note. See the Appendix for Plan Expense Allocations for more details.

A loan, if not otherwise due and payable, is due and payable on the date of the Participant's termination of employment with the Employer unless the Participant is a "party in interest" as described above.

A loan, if not otherwise due and payable, is due and payable on termination of the Plan, notwithstanding any contrary provision in the promissory note. Nothing in this loan policy restricts the Employer's right to terminate the Plan at any time.

Participants should note the law treats the amount of any loan (other than a "home loan") not repaid five years after the date of the loan as a taxable distribution on the last day of the five year period or, if sooner, at the time the loan is in default. If a Participant extends a non-home loan having a five year or less repayment term beyond five years, the balance of the loan at the time of the extension is a taxable distribution to the Participant.

4. SECURITY FOR LOAN. The Plan will require that adequate security be provided by the Participant before a loan is granted. For this purpose, the Plan will consider a Participant's interest under the Plan (account balance) to be adequate security. However, in no event will more than 50% of a Participant's vested interest in the Plan (determined immediately after origination of the loan) be used as security for the loan. Generally, it will be the policy of the Plan not to make loans which require security other than the Participant's vested interest in the Plan. However, if additional security is necessary to adequately secure the loan, then the Plan Administrator will require that such security be provided before the loan will be granted.

5. FORM OF PLEDGE. The pledge and assignment of a Participant's account balances will be in the form prescribed by the Plan Administrator.

6. MILITARY SERVICE. If a Participant separates from service (or takes a leave of absence) from the Employer because of service in the military and does not receive a distribution of his or her account balances, the Plan will suspend loan repayments until the Participant's completion of military service. The Employer will provide the Participant with a written explanation of the effect of the Participant's military service upon his or her Plan loan. While the Participant is on active duty in the United States military, the interest rate on the loan will not exceed six percent (6%), compounded annually.

7. LEAVE OF ABSENCE/SUSPENSION OF PAYMENT. The Plan Administrator will suspend loan repayments for a period not exceeding one year which occurs during an approved leave of absence, either without pay from the Employer or at a rate of pay (after applicable employment tax withholdings) that is less than the amount of the installment payments required under the terms of the loan. The Plan Administrator will provide the Participant with a written explanation of the effect of the leave of absence upon his or her Plan loan.

8. PAYMENTS AFTER LEAVE OF ABSENCE. When payments resume following a payment suspension in connection with a leave of absence authorized in 6 or 7 above, the Participant will select one of the following methods to repay the loan, plus accumulated interest:

- The Participant will increase the amount of the required installments to an amount sufficient to amortize the remaining balance of the loan, plus accrued interest, over the remaining term of the loan.
- The Participant will pay a balloon payment of the remaining unpaid principal and interest, at the conclusion of the term of the loan as determined in the promissory note.
- The Participant may extend the maturity of the loan and re-amortize the payments over the remaining term of the loan. In no event will the amount of the adjusted installment payment be less than the amount of the installment payment provided under the promissory note. In the case of a non-military leave of absence, the revised term of the loan will not exceed the maximum term permitted under item 3 above. In the case of a military leave of absence, the revised term of the loan will not exceed the maximum term permitted under item 3 above, augmented by the time the Participant was actually in United States military service.

9. DEFAULT. The Plan Administrator will treat a loan as in default if:

- any scheduled payment remains unpaid beyond the last day of the calendar quarter following the calendar quarter in which the Participant missed the scheduled payment

Upon default, the Participant will have the opportunity to repay the loan, resume current status of the loan by paying any missed payment plus interest or, if distribution is available under the Plan, request distribution of the note. If the loan remains in default, the Plan Administrator will offset the Participant's vested account balances by the outstanding balance of the loan to the extent permitted by law. The Plan Administrator will treat the note as repaid to the extent of any permissible offset. Pending final disposition of the note, the Participant remains obligated for any unpaid principal and accrued interest.

If the Participant is currently in default on a loan from this Plan or any other plan of the Employer, the Participant may not have an additional loan from this Plan.

## QUABBIN, INC. 401(K) PLAN

### COMMON QUESTIONS ABOUT OUR 401(K) PLAN

#### Introduction

The following questions and answers highlight some of the important parts of our Plan. Remember, these are only highlights. The Summary Plan Description ("SPD") describes the Plan in much greater detail. If you have any questions about these highlights, the SPD, or the Plan, you should ask the Plan Administrator.

**Q.** Why is the Employer sponsoring a 401(k) plan?

**A.** The Employer is sponsoring this Plan so that you may save for retirement. This Plan is a type of qualified retirement plan commonly referred to as a 401(k) Plan. As a participant under the Plan, you may elect to contribute a portion of your compensation to the Plan. In addition, the Employer may make contributions to the Plan on your behalf.

**Q.** How do I participate in the Plan?

**A.** Provided you are not an Excluded Employee, you may begin participating under the Plan once you have satisfied the eligibility requirements and reached your Entry Date. The following describes Excluded Employees, the eligibility requirements and Entry Date that apply.

#### All Contributions

**Excluded Employees.** If you are a member of a class of employees identified below, you are an Excluded Employee and you are not entitled to participate in the Plan. The Excluded Employees are:

- certain nonresident aliens who have no earned income from sources within the United States
- leased employees
- reclassified employees (an employee who was previously not treated as an employee of the Employer but you are reclassified as being an employee)

**Eligibility Conditions.** You will be eligible to participate in the Plan when you have completed one (1) Hours of Service within the three (3) month time period following your date of hire. If you do not complete one (1) Hours of Service within the three (3) month time period of employment, then you will have satisfied the service requirement if you are credited with a Year of Service. However, you will actually participate in the Plan once you reach the Entry Date as described below.

**Entry Date.** Your Entry Date will be the first day of the month next following the date you satisfy the eligibility requirements.

**Q.** What are elective deferrals and how do I contribute them to the Plan?

**A. Elective Deferrals.** As a participant under the Plan, you may elect to reduce your compensation by a specific percentage or dollar amount and have that amount contributed to the Plan. This amount is referred to as an elective deferral. There are two types of elective deferrals: pre-tax deferrals and Roth deferrals. For purposes of this SPD, "elective deferrals" generally means both pre-tax deferrals and Roth deferrals. Regardless of the type of deferral you make, the amount you defer is counted as compensation for purposes of Social Security taxes.

**Pre-Tax Deferrals.** If you elect to make pre-tax deferrals, then your taxable income is reduced by the deferral contributions so you pay less in federal income taxes. Later, when the Plan distributes the deferrals and earnings, you will pay the taxes on those deferrals and the earnings. Therefore, with a pre-tax deferral, federal income taxes on the deferral contributions and on the earnings are only postponed. Eventually, you will have to pay taxes on these amounts.

**Roth Deferrals.** If you elect to make Roth deferrals, the deferrals are subject to federal income taxes in the year of deferral. However, the deferrals and, in most cases, the earnings on the deferrals are not subject to federal income taxes when distributed to you. In order for the earnings to be tax free, you must meet certain conditions. For further information, see the section in the SPD entitled "What are my tax consequences when I receive a distribution from the Plan?"

**Automatic Deferral.** The Employer will automatically withhold a portion of your compensation if you fail to make an affirmative elective deferral election. You may enter a salary reduction agreement at any time to select an alternative deferral amount or to elect not to defer under the Plan. If you have any questions concerning the application of this automatic contribution provision, please read the section in the SPD entitled "What are elective deferrals and how do I contribute them to the Plan?."

You will receive additional amounts from the Employer if you do contribute.

**Q.** When will I receive payments from the Plan?

**A.** The Plan is designed to encourage you to stay with the Employer until retirement. If you terminate employment with the Employer on or after Normal Retirement Age (or age 62 if later), the Plan will distribute your account without your consent. The distribution

will occur as soon as administratively feasible at the same time described below for other (pre 62/Normal Retirement Age) distributions made after termination of employment not requiring your consent, but in any event distribution will be made no later than 60 days after the end of the Plan Year in which you terminate employment. Notwithstanding the foregoing, if your vested account balance exceeds \$5,000 (including rollover contributions), you may elect to postpone your distribution until your "required beginning date" for required minimum distributions. (See "Required beginning date" under "In what method and form will my benefits be paid to me?" in the Article in the SPD entitled "Distributions upon Termination of Employment" for an explanation of the commencement of minimum required distributions.)

You will attain your Normal Retirement Age when you reach age 65.

**Q.** How much will I be paid when I terminate employment?

**A.** The amount you are paid when you terminate employment will be based upon the amount of money the Employer has put into the Plan for you (including your elective deferrals), plus or minus any earnings or losses and also on your vesting. You should review the Article in the SPD entitled "Employer Contributions" for an explanation of how the Employer makes contributions to the Plan and how they are shared by eligible employees.

**Q.** How will payments be made when I terminate employment?

**A.** If your vested account balance does not exceed \$5,000, then your vested account balance may only be distributed to you in a single lump-sum payment in cash. In determining whether your vested account balance exceeds the \$5,000 dollar threshold, "rollovers" (and any earnings allocable to "rollover" contributions) will not be taken into account.

If your vested account balance exceeds \$5,000, you may elect to receive a distribution of your vested account balance in:

- a single lump-sum payment in cash
- installments over a period of not more than your assumed life expectancy (or the assumed life expectancies of you and your beneficiary)
- Ad-Hoc distributions. You may request a distribution of some or all of your Plan accounts, at any time following your termination of employment, subject to any reasonable limits regarding timing and amounts as the Plan Administrator may impose.
- Various annuity options are available from Sentry Life Insurance Company.

You should review the Article in the SPD entitled "Distributions upon Termination of Employment" for a further explanation of the rules associated with the payment of benefits.

**Q.** What if I stop working before I reach Normal Retirement Age?

**A.** **100% vested contributions.** You are always 100% vested (which means that you are entitled to all of the amounts) in your accounts attributable to the following contributions:

- elective deferrals including Roth 401(k) deferrals and catch-up contributions
- rollover contributions
- safe harbor contributions

**Vesting schedules.** Your "vested percentage" for certain Employer contributions is based on vesting Years of Service. This means at the time you stop working, your account balance attributable to contributions subject to a vesting schedule is multiplied by your vested percentage. The result, when added to the amounts that are always 100% vested as shown above, is your vested interest in the Plan, which is what you will actually receive from the Plan.

#### **Additional Matching Contributions**

Your "vested percentage" in your account attributable to Additional Matching Contributions is determined under the following schedule. You will always, however, be 100% vested in your Additional Matching Contributions if you are employed on or after your Normal Retirement Age or if you terminate employment on account of your death, or if you terminate employment as a result of becoming disabled.

Vesting Schedule Additional Matching Contributions	
Years of Service	Percentage
Less than 1	0%
1	20%
2	40%
3	60%
4	80%
5	100%

- Q.** If I stop working before my Normal Retirement Age (or age 62 if later), when will my vested amount be paid?
- A.** If your vested account balance exceeds \$5,000, your consent is required to distribute your account before you reach your Normal Retirement Age (or age 62 if later). You may elect to have your vested account balance distributed to you as soon as administratively feasible following your termination of employment. (See "In what method and form will my benefits be paid to me?" in the Article in the SPD entitled "Distribution upon Termination of Employment" for an explanation of the method of payment.)

If you terminate employment with a vested account balance exceeding \$5,000, you may elect to postpone your distribution until your "required beginning date" for required minimum distributions. (See "Required beginning date" under "In what method and form will my benefits be paid to me?" in the Article in the SPD entitled "Distributions upon Termination of Employment" for an explanation of the commencement of minimum required distributions.)

If your vested account balance does not exceed \$5,000, a distribution of your vested account balance will be made to you, regardless of whether you consent to receive it, as soon as administratively feasible following your termination of employment. (See "In what method and form will my benefits be paid to me?" in the Article in the SPD entitled "Distributions upon Termination of Employment" for an explanation of the method of payment.)

Amounts in your rollover account will not be considered as part of your benefit in determining whether the \$5,000 threshold for timing of payments described above has been exceeded as well as for determining if the value of your vested account balance exceeds the \$5,000 threshold used to determine whether you must consent to a distribution.

- Q.** What if I die before I terminate employment?
- A.** Your beneficiary will be entitled to 100% of your interest in the Plan upon your death. If you are single, you may name anyone you like to be your beneficiary. If you are married, in general, your spouse is your beneficiary of your death benefit unless you and your spouse name someone else as your beneficiary. You should review the question entitled "Who is the beneficiary of my death benefit?" in the Article in the SPD entitled "Distributions upon Death."
- Q.** Can I withdraw money from the Plan while I'm still working?
- A.** Generally you may receive a distribution from the Plan prior to your termination of employment provided you satisfy any of the following conditions:
- you have attained age 59 1/2. Satisfying this condition generally allows you to receive distributions from all contribution accounts.
  - you incur a disability (as defined in the Plan). Satisfying this condition generally allows you to receive distributions from all contribution accounts.

In certain instances you may receive an in-service distribution if you incur a financial hardship. This hardship distribution is not in addition to your other benefits and will therefore reduce the value of the benefits you will receive at retirement.

There are various rules and restrictions regarding withdrawing money from your accounts in the Plan while you are still employed. Please review the SPD for more information on these rules and restrictions.

**NOTE: THESE QUESTIONS AND ANSWERS ARE NOT MEANT TO BE A SUBSTITUTE FOR A THOROUGH READING OF THE SUMMARY PLAN DESCRIPTION. THE PROVISIONS OF THE 401(k) PLAN ARE VERY COMPLEX. IT IS NOT POSSIBLE TO FULLY EXPLAIN ALL ASPECTS OF THE PLAN IN THESE SHORT QUESTIONS AND ANSWERS. YOU SHOULD ALWAYS CONSULT THE SUMMARY PLAN DESCRIPTION IF YOU HAVE ANY QUESTIONS ABOUT THE PLAN. IF, AFTER READING THE SUMMARY PLAN DESCRIPTION, YOU STILL HAVE QUESTIONS, YOU SHOULD CONTACT THE PLAN ADMINISTRATOR.**
